

# JTS Office of Residence Life Summer Housing Application

*Students living in 515, 521 and 110 should NOT fill out this form.*

Due to limited space, housing is available on a first-come, first-served basis. Late applicants may not be able to be accommodated with a housing assignment. Students will receive a JTS Residence Life Occupancy Agreement upon moving into their summer housing assignments, detailing housing policies: copies of the agreement may be requested after applications are submitted. The agreement must be signed and returned before a key can be issued. Occupancy is contingent upon our receipt of this signed agreement. Students wishing to sign the agreement in advance of their move-in should let us know.

While every effort will be made to accommodate housing requests, please be advised that no particular building, floor, room, or roommate request can be guaranteed. Summer housing is based on space availability. JTS makes the final decision as to placement.

If you have any questions please call the office at 212-678-8035.

Please complete all fields and print neatly
