

FROM THE DESK OF

**CHANCELLOR
SHULY RUBIN SCHWARTZ**

Dear JTS Community,

I am thrilled that Rabbi Mike Uram, a wise, experienced, and capable leader will assume the mantle as the ninth Chancellor of The Jewish Theological Seminary. A learned, inspiring, and engaging rabbi, educator, and organizational leader—and a JTS alumnus—Mike has served the Jewish people in a variety of important settings. He has navigated complex challenges, led innovative learning initiatives, and provided strategic vision and oversight. The partnerships he has cultivated across the Jewish educational landscape and his many board and community roles all speak to his experience and success as a Jewish leader. He cares deeply about the Jewish future, and I know he will take our beloved institution to new heights.

I look forward to supporting Mike's initiatives in my next role on the faculty and am excited to see him lead JTS into the future.

Mazal tov, Chancellor-Elect Uram!
